

I belong to Toddlers' Club

Happy 30th Birthday
1991-2021

To celebrate our 30th birthday we would like to put up lots of pictures of people who are part of Toddlers' Club

If your child can draw a picture of themselves and then post it through the brown door of the church on Bowden Lane, we will put them all up in the windows.

Thank you for helping us with this, we are really disappointed that we can't be together on the anniversary day, so we are trying to think of alternatives. In the bag there is an envelope for 15th Jan, which contains a mini party, but doing these pictures will help us to tell people who walk by the church that we are still in action even if we have to be online for now!
